OFFICE OF THE DIRECTOR,

Ref. No. No.B.48/53-54

Bangalore, 1,...24th..Sept...195 3

SECRETARY DEVELOPMENT DEPARTMENT 28 SEP 1953 Government of Mysore

To

The Secretary to Government,
Development Department, Bangalore.

Sir,

SUBJECT: Integration of the seven Taluks of Bellary District with the Mysore State - Additional staff required for the Industrial & Commerce Department.

In continuation of this office letter of even number dated 16/17th September 1953, I write to state that with the integration of the seven Taluks of Bellary District with the Mysore State, it is found essential to post an officer of this Department to the above area, which will form itself into a new District, so that the interests of the several industries, including Cottage Industries in that area may be looked into and supervised. This is necessary in view of the fact that there is no other Gazetted Officer of the Department of Industries at Bellary just at present.

In this connection, I write to state that with the formation of the new Mysore Division, sanctioned in Government Order No.I.913-5/Ind. 7-52-8 dated 18-6-53, there are three Divisions of this Department in the State, each one being placed in charge of a Superintendent of Industries who is a Gazetted Officer, with suitable staff with Headquarters at Bangalore, Shimoga and Mysore and with jurisdiction as detailed in the margin. The newly sanctioned third Division is still under formation.

	Jurisdiction
1. Superintendent of Industries Bangalore Dn., Bangalore. (Hd.quarters-Bangalore)	Bangalore and Kolar Districts.
2. Superintendent of Industries, Mysore Division, Mysore. (Hd.quarters - Mysore)	Mysore, Mandya and Tumkur Districts.
3. Superintendent of Industries, Shimoga Division, Shimoga. (Hd.quarters- Shimoga)	Shimoga, Chitaldrug Chikmagalur and Hassan Districts.

As the work of the existing Superintendents of Industries themselves is very heavy, it will not be possible to entrust the work of new Bellary District to any of them. Besides, this area has to receive special attention with reference to the investigation of the possibilities of development of industries - Cottage, Smallscale and large scale. Also, attention would be necessary for the prompt investigation of loan applications under the State Aid to Industries Act. Hence, I propose that one additional post of Superintendent of Industries in grade Rs.180-15-300 (average cost of Rs.256/-p.m.) may be sanctioned forthe new integrated area, with jurisdiction over Bellary and Chitaldrug Districts and headquarters at Bellary, and this new Division may be called as "Bellary Division".

As there is a large number of textile establishments in Bellary District, I may be given the discretion to post

a Textile Officer also as Superintendent of Industries of Bellary District whenever necessary instead of an Engineering Officer.

As this is a new area and good lot of work has to be done there, I propose the following staff for the Office of the new Division:-

What is the staff allowed to the other Divisional Heads of Industries?

		Average cost.
1. Asst. Superintendent of Industries on Rs.100-10-150	one	133 1/3 p.m.
2. 2 Junior Industrial Supervisors on Rs.50-5-100	Two	169 1/9 p.m.
3. First Dn. Clerk on Rs.60-5-90-6-150	one	111 p.m.
4. Second Dn. Clerk on Rs.40-2-50-3-80	One	63 1/3 p.m.
5. II Grade Typist on Rs.45-3-60-4-100	One	77 1/12
6. Attender on Rs.25-1-30	One	28
7. Peons (3) and Watchman (1) each on Rs.15-1-20	Four	75 1/5
	Total	657 73/90 p.m. or 7,893 11/15 per annum.

(Three peons have been proposed as the Superintendent of Industries is a Gazetted Officer and also a touring officer, he is entitled to one House Orderly and a peon for his office and one peon for the office staff as per the Standard scale of menials).

The extra cost on the above account will be Rs.10,965 11/15 or about Rs.11,000 per annum, including the pay of the Superintendent of Industries.

I request that very early sanction of Government may kindly be obtained for the above proposals. Pending sanction of Government to the above proposals, the Superintendent of Industries, Shimoga Division, will be in additional charge of the Bellary Division also as already intimated in this office letter of even number dated 10/17-9-1953.

Yours faithfully,

(V.V. [illegible])

Subject:- Posting gazetted officers of Mysore to replace the gazetted officers now serving in the transferred territory with effect from 1st October 1953

With reference to your O.M. No.Ch.S. 7316-7415/A.S. 117-53-1, dated 2-9-1953, on the above subject, I write to state that I am given to understand that there is only one Assistant Director of Industries stationed at Anantapur, who has jurisdiction on Bellary District and that there is no other Gazetted Officer belonging to the Industries Department in Bellary. Hence, there is no question of transferring any Gazetted Officers from this Department to Bellary immediately.

In this connection, I write to state that it is under examination for obtaining sanction of Government for creating the post of a Superintendent of Industries with head quarters at Bellary, and having jurisdiction over Bellary and Chitaldrug Districts. A separate reference will be made to Government in this regard early. Till then the Superintendent of Industries, Shimoga Division, will be asked to attend to work relating to the new Bellary District.

Sir,

Subject:- Integration of the 7 Taluks of Bellary District with the Mysore State - additional staff required for the Industries and Commerce Department.

From 73 3243.

With reference to your letter No.I.3210/dated 30-12-1953, on the above subject, I write to state that no staff of the Madras Industries and Commerce Department, connected with the Bellary area has been transferred to the Mysore Industries and Commerce Department.

In this connection, I write to state that the Superintendent of Industries, Shimoga Division, Shimoga, in whose jurisdiction the above integrated area of Bellary is included, has stated in his letter No.1649, dated 9-12-1953, that besides the Polytechnic Institute which is now transferred to the Director of Technical Education in Mysore, a Well Boring Section was also in existence and that an Industrial Supervisor, was in charge of that Section and was working at Bellary under the direct control of Industrial Engineer, Kurnool. The Superintendent of Industries, has also stated that it is reported that even this office has been shifted. Apart from this, if any staff had been transferred to Mysore Government either to this Department or other Departments, we would have been informed of the same and this has not been done so far. Further, the Well Boring Section is now working under the Chief Engineer (Public Works Department) and as such, even if the Industrial Supervisor of the Well Boring Section at Bellary is continued there, his pay will have to be met from the Public Works Department.

In the above circumstances, I write to state that no staff of the Madras Industries and Commerce Department, has been transferred to this Department. If however, it is considered necessary, the Special Officer, Bellary District, and the Director of Technical Education in Mysore, Bangalore, may kindly be consulted in the matter.

Since a separate Division has to be newly formed and organised for the Bellary and Chitaldrug Districts and a good deal of work has to be done in this Division with regard to the development of Cottage Industries as well as large scale industries and for prompt investigation of loan applications under the State Aid to Industries Act, the staff proposed for the new Bellary Division in this office letter of even No. dated 24/26-10-1953 is the lowest minimum absolutely necessary for coping up with the heavy work involved and may kindly be sanctioned at an early date.

Yours faithfully,

(E. V. GANAPATI IYER)
DIRECTOR.

bvs.

Since the work of this Department in the new Military Division, has to be started immediately, I request that early orders of Government may kindly be obtained for the additional staff required for the purpose as indicated in this office letter No.S.48/53-54, dated 24/26-9-1953 and communicated to me.

Yours faithfully,

(V.V. GANAPATI IYER)
DIRECTOR.

Sir,

Subject:- Integration of the 7 taluks of Bellary District with the Mysore State - additional staff required for the Industries & Commerce Department.

4402/I With reference to your letter No. I. 4221, dated 20-3-1954, on the above subject, I write to state that as it is, the work in the existing three Divisions viz., Bangalore, Mysore and Shimoga is very heavy. Further, the Superintendent of Industries, Shimoga Division, has to attend to the work connected with the Community Project etc., which require his prompt and careful attention. As such, this officer will not be able to devote his attention to the work in the Bellary District, where a good lot of spade work has to be done to industrialise the area on an adequate basis. It is therefore very necessary that a separate Division is formed with Headquarters at Bellary and with the necessary minimum staff as already proposed in this office letter of even number dated 24/26-9-1953, and I request that very early sanction of Government may kindly be obtained thereto and communicated to me.

Yours faithfully,
